CANDIDATE INFORMATION

HEAD MASTER'S WELCOME

Dear Candidate

I am honoured to be Head Master of Dulwich Prep London and introduce you to this incredible school. For more than 135 years, the school has inspired generations of boys aged 3 to 13 (and Nursery aged girls) to fulfil their dreams and aspirations.

We are privileged to have developed a specific pedagogy that enables critical thinking, encourages exploration, and facilitates engaging communication skills while recognising that each child is on their journey of discovery.

We passionately believe in the whole child. Therefore, the broad and enriched education that we provide will enable our pupils to go beyond the expected and toward the exceptional.

We seek to work in partnership with parents and carers to embed the Dulwich Prep London Values, first and foremost, as this underpins the character skills required in our fast-paced modern world.

This expectation enables each child to put empathy and compassion at the forefront of their decision making. It is the catalyst for each child to be successful and resilient in whatever they turn their hand to while on their educational journey and beyond.

We look forward to receiving your application.

OUR ETHOS AND AIMS

Our school's priority is the wellbeing and happiness of our pupils. Each child's sense of belonging is paramount to their success and the school's continuing success.

Our pupils are challenged in their pursuit of excellence, and we support each child to find what they are good at. Each child's sense of belonging is integral to their continued success in our school and future success in life.

We want our pupils to leave us having experienced the very best in pastoral care, teaching and learning, having enjoyed the most dynamic and demanding academic and co-curricular programmes, and having made friends for life.

In preparing our pupils for today and the future, we want to instil a sense of environmental awareness and empower each child to become a responsible world citizen.

These are the key building blocks for the school, but our Values act as the cement that bonds everyone and everything together.

Our Values create Dulwich Prep London's special atmosphere.

OUR VALUES

Dulwich Prep London inspires excellence, and our pupils' character measures our greatest success.

Our Values sow the seeds of possibility in each child's mind, heart, and spirit and create the right culture and conditions to allow these possibilities to flourish and become real.

Everything we do sits upon our Values system. The eight recognised and explicitly taught Values weave across every year and deliver a deepened sense of empathy and the drive to be change-makers.

These values teach our pupils how to be kind and offer help where it is needed; to play fair and tell the truth no matter who is listening; to join in and play their part whilst letting others be heard; to appreciate the world around them and how valuable their contribution is and to always have a go.

Our expectations are high: those attending Dulwich Prep London go on to be citizens of the world, have a strong moral compass, and adapt to the rapidly changing environment of modern society.

Our children thrive, and we ensure that every opportunity is created for them to do so. Yet, no day is taken for granted.
